

Inter Library Loan video transcript

Oh hey, there you are! We thought you might like to see what happens after you submit a request... All the different hands and some of the faces that go along with it.

Shalalah and I receive the requests and decide where to send them. We will also do any training and answer the questions that you all might have. Heck, just give us a call if you want to know what the weather is about here.

And Melecia purchases the materials.

Cynthia checks out the items. And Terri goes and retrieves them.

Johnnie and Chris mail all the items that you request. "Hey"

Thanks for watching.
