# SING

**We Like to Go To School** (tune: The Farmer in the Dell)

We like to go to school, we like to go to school

Our school is such a happy place

We like to go to school!

We make new friends at school, we make new friends at school,

Our school is such a happy place

We make new friends at school!

Other verses:

We learn so much at school

We see our teacher at school

# ACTIVITY

- Practice letter recognition and writing skills with a simple name craft. On a sheet of paper write your child's name in large letters. Cut colored paper into thin strips. Have your child snip off pieces of the colored paper strips and glue them along the letters of their name.
